

CALL FOR PAPERS

Journal of Korean and Asian Arts Vol. 4

We would like to invite you to contribute to the forth issue of the *Journal of Korean and Asian Arts* (KAA) by the Korean National Research Center for the Arts (KRECA) at Korean National University of Arts. KRECA is the only national research institute in South Korea devoted to arts studies and arts education since 1993. We launched our new English Journal KAA in 2020 in order to promote studies in Korean and Asian Arts. The focus of KAA includes, but not limited to, studies on music, film, theater, multimedia, dance, visual arts, Korean traditional arts, and arts education.

We are accepting articles covering general topics in Asian arts. The article should be original, no more than 10,000 words, and not previously published elsewhere. All manuscripts will undergo a double-blind review process to guarantee high academic quality. Our institute is giving an honorarium for publication in KAA and there is no submission fee charged. KAA is an Open Access journal published both online and in print.

Submissions are accepted on a rolling basis through **February 28, 2022 by Seoul time**. Manuscript submitted after this due date will be reviewed for the KAA fifth volume. You can submit your manuscript through our website submission link: <http://kaa.kreca.or.kr/thesis/ThesisAgree.asp>
