

Contributor Workshop: *Routledge Handbook of Early Modern Korea*

May 19-20, 2023

This international workshop brings together scholars from eleven countries to discuss their chapters for the Routledge Handbook of Early Modern Korea, edited by Eugene Y. Park. Featuring twenty-two topical chapters, this volume surveys various aspects of Korea from 1392 to 1873. Each chapter will present its author's understanding of a particular subject and engage with existing scholarship in ways accessible to broader readership.
