The convention is organised by the KSGSC Committee with the support of the Association for Korean Studies in Europe (AKSE), and is hosted by the International Institute of Korean Studies (IKSU) at the University of Central Lancashire.

For those who wish to attend in person, applicants are strongly encouraged to seek funding from their home institutions to support travel to the University of Central Lancashire. Those participants with secured financial support are requested to inform us about their onsite participation using the Google form below. The KSGSC 2025 does not cover costs related to travel, accommodation, or meals, and participants are responsible for making their own arrangements.
